

## Interim Consulting / Staffing Solutions

Wall Street Options (WSO) provides highly efficient Interim staffing solutions faster and at competitive pricing compared to larger consulting firms.

WSO offers clients stealth candidate search, due-diligence and market research to identify highly qualified consultants for your immediate needs.

### Interim Search Process

Wall Street Options has access to thousands of highly skilled/experienced temporary consultants who will hit the ground running and are more adept to the virtual environment we find ourselves in.

Our Interim staffing solutions are end-to-end; identifying the right fit for the position, onboarding consultants with background verification, payroll administration at competitive hourly bill rates.

Eliminate the risk associated with permanent hires i.e. health benefits, payroll taxes, unemployment insurance and severance.
